We are so proud of these graduates. Congratulations class of 2017! #FurmanGrad

I spent a couple of weeks on campus in the summer of 1972. I still remember the beauty. The bell tower. The swans. AND the Falcons in training! Most of all though, I remember sitting in the rose garden one afternoon, reading and praying. There was a gardener tending the roses, deadheading. He clipped one perfect Peace rose, my favorite rose of all time, and brought it over to give to me. I'll never, ever forget that special, superb moment of my life.

Thank you, Furman University.
